Behavioral Health Services Available in Morongo Basin

MORONGO BASIN- Supervisor Ramos would like to remind residents that behavioral health services are available throughout the Morongo Basin. Please see the attached list of resources available in the area.

"The Director of the Department of Behavioral Health, CaSonya Thomas, and I want the Morongo Basin residents to know these services are available," stated Supervisor Ramos. "We don't want anyone to go without help because they don't know where to seek assistance. The County is committed to making sure everyone has access regardless of where they live."

"The support in sharing this information from Supervisor Ramos is greatly appreciated" stated CaSonya Thomas. "DBH is committed to promoting wellness, recovery and resilience to all residents of the County of San Bernardino. We are pleased to be able to serve the residents of the Morongo Basin by providing quality behavioral health services through our community partners."

If you have any questions regarding these services, please contact DBH's Access Unit 24 hours a day, 7 days a week at 1 (888) 743-1478 or 711 for TTY users.

Full Service Partnership (FSP)	Full Service Partnerships (FSP) provide the most intensive level of services for consumers with serious mental illness who are experiencing severe impacts on their level of functioning. These "partnerships" between a service provider and an individual or family are called "full service" because they are targeted to people needing a range of services and supports in order to recover from mental illness. This can include securing a safe place to live, a job, help in school, physical health care, clothing, food, or treatment when a mental illness and a substance use disorder are combined (co-occurring disorder). This is a "wraparound" approach to help consumers on their path to recovery and wellness and is provided by a team 24 hours a day, 7 days a week.
